GENERAL BILL OF SALE AND ASSIGNMENT

This is a Bill of Sale and Assignment ("this Bill of Sale") from Delta Services Industries, a Louisiana Joint Venture, ("Seller") to Petroleum Treaters, Inc., a Delaware Corporation ("Buyer").

Seller and Buyer have executed a certain Purchase Agreement ("the Purchase Agreement") under the terms of which Seller is required to sell and Buyer is required to purchase all of Seller's right, title, and interest in and to the assets and property, ("the Assets"), real and personal, tangible and intangible, of every kind and description, wherever located, which are used in the conduct of or which constitute a part of the business of the division of Seller known as Petroleum Treaters, exclusive of certain assets mentioned in Section 1 of the Purchase Agreement. The Purchase Agreement requires Seller to deliver to Buyer at the Closing, or to cause to be delivered to Buyer at the Closing, certain bills of sale, assignments, and other documents and instruments, which are necessary to effect the sale, assignment, conveyance, and transfer of the Assets to Buyer as required by the Purchase Agreement. One of the documents which Seller is required by the Purchase Agreement to execute and deliver to Buyer is this Bill of Sale.

Therefore, pursuant to the terms and conditions of the Purchase Agreement, Seller, by executing and delivering this Bill of Sale to Buyer, sells, assigns, conveys, and transfers to Buyer all of the Assets which have not been specifically identified in and contemporaneously herewith sold, assigned, conveyed, transferred, and delivered or surrendered to Buyer pursuant to a deed, assignment document, or other document or instrument other than this Bill of Sale.
